

## **LIVING THE SCRIPTURES FAITH QUESTIONNAIRE**

With this assignment, I want you to take some time to reflect on these questions before you write and type the paper. Use this time to do some honest self-examination as most of you are looking to soon finish your formal Catholic Christian education. I am not going to judge your answers – I simply want to know something about your faith life. I will grade this assignment based on its completion, not on your answers specifically. Please be as honest as you can and feel free to expound on the questions. Also, use page headers and do not use contractions. This paper should be 2-3 pages long and is due on Monday. **Use headings for each of the questions, and answer all of the questions below.** Answer the following questions:

- Who is God for you right now? How does God fit into your life?
- What is your prayer life like? When do you pray best (if you do)?
- What are you doing to nurture your faith?
- How would you characterize your faith? (devout, mediocre, lacking, non-existent) Explain.
- If there is one realistic thing that you could do better or different to help you grow in your relationship with God, what would it be? And secondly, what stops you?
- When you hear the word “Church,” what does it mean for you? How does it fit into your life?
- What religious faith were you raised in? What religious faith do you consider yourself now? How are you practicing it?
- Name three people who you consider inspirational to your faith life and why.
- In your opinion, what do you believe about the Bible?
- If you had one or two questions or problems regarding God or the Church, what would they be?
