

## **PROPHETIC LETTER ASSIGNMENT LIVING THE SCRIPTURES**

Modeling after the prophets in the Old Testament, the students are to write a 1-2 page typed prophetic message to teenagers in the United States today. Remember, prophets read the signs of the times through the eyes of God and then speak for God. There should be challenge as well as mercy. Give plenty of real examples of “the signs of the times.” Students are encouraged to look through some of the prophetic books to get ideas, including specific wording used. Creativity is also strongly encouraged.

MLA Writing standards apply.

Worth 20 points.

Due when we finish the Prophets.
